[The Château de Casseneuil](#) is a venue for seminars and retreats, artist's residence, and makes available exhibition rooms for the organisation of conferences and training sessions.

It also houses a museum dedicated to the work (the study of man in link with the Enneagram) and to the life of GURDJIEFF.

It is located in Lot et Garonne in a natural environment with large expanses and a river that runs through the castle park. Serge TROUDE and Fabiola HARRIS will welcome you there with a lot of warmth and enthusiasm. <https://chateaucasseneuil.wixsite.com/cultural-centre>
